CONNECT

As an entrepreneur and business owner, I know that listening is critical. I will listen, learn, and advocate for Durham at the NH state level. The goal: drive positive change for all residents of Durham.

PROUD DEMOCRAT

School safety, gun control, transparent health care costs, making sure everyone has health and dental coverage, equal opportunity, our teachers are heroes, defend and protect reproductive health rights and access, protect voting rights, equality before the law, rights are inclusive and we are better as we expand rights, diversity creates strength, our history should be taught, not forgotten, the threat posed by MAGA is very real

FOCUS AREAS

Safe, connected, and well designed transportation options—such as safe bike lanes.

Digital infrastructure, safety in the digital space (especially for children and the elderly), and digital privacy.
